# Podcasts

We can also listen to a foreign language through podcasts. We can also listen to audiobooks in which native speakers explain phrasal verbs or grammar rules.

The screenshot shows a Spotify interface with a red background. At the top left is a thumbnail for 'Lovely English Stories' featuring the Union Jack flag. To its right, the title 'English Podcast A2-B1' is displayed in large white letters. Below the title, it says 'Publiczna playlista' and 'mtrudek - 13 373 polubienia • 12 odcinków, 2 godz. 1 min'. The main area shows a list of four episodes:

4	Keeping Up with the Joneses - A2 Be...	Lovely English Stories	maj 2022	11 kwi 2023	8:12

At the bottom, there are playback controls (play, previous, next, volume) and a progress bar showing 2:16 of a 4:00 total duration.

The first screenshot shows a video thumbnail for 'Learn ENGLISH WITH PODCAST' (EPI-09). It features a woman in a purple blazer and white shirt standing with her arms crossed. The text 'LEARN ENGLISH WITH PODCAST' is overlaid, along with a play button icon and the time '11:48'.

The second screenshot shows a video thumbnail for 'Everything Happens For A Reason | Healing Podcast'. It features a cartoon character sitting on a beach at sunset. The text 'EVERYTHING HAPPENS FOR A REASON' is overlaid in large white letters. The video has a timestamp of '7:36'.

Both thumbnails include social media and channel information: 'Beginners #englishpodcast' and 'InfoTap Learning' for the first, and 'Everything Happens For A Reason | Healing Podcast' and 'LEP - Learn English Podcast' for the second.

## I ucz się efektywniej!

Jesli jesteś wzrokokwecem ucz się za pomocą fiszek, filmów, gier czy map myśli.

Jesli jesteś słuchowcem ucz się za pomocą piosenek, podcastów, a nawet zwykłej konwersacji w języku obcym.

Jesli jesteś kinestetykiem ucz się za pomocą gier i zabaw. Możesz słuchać podcastów w języku obcym kiedy wykonujesz codzienne czynności.

# Podsumowanie

- Za pomocą multisensorycznych metod nauki w zależności czy należymy do grupy słuchowców czy wzrokowców możemy uczyć się dużo sprawniej i efektywniej.
- Dla wzrokowców bardzo efektywną metodą nauki jest nauka za pomocą map myśli, tabelek, czy książek i blogów
- Dla słuchowców korzystniejsza będzie nauka przez słuchanie piosenek czy oglądanie filmów z oryginalną ścieżką dźwiękową.
- Kinestetycy uczą się efektywniej podczas ruchu. Świetnym rozwiązaniem będą między innymi gry i zabawy.
